

Chesapeake Fields Farmer LLC
Investment Interest Survey for Community Members

We believe it is the open space and our agriculture heritage the makes Delmarva a unique region on the East Coast. If we want to keep our area in agriculture, it is essential to keep our farmers profitable. Chesapeake Fields Institute has done considerable research to find ways to increase farmer profitability. We need to learn of your interest in helping CFI achieve the goal of increasing farm profitability. Please take a moment to complete this questionnaire and return it to CFI.

1 = low/no interest to 5 = high, very interested (circle your choice)

1. Do you think open space and the agriculture heritage is one of the main attractions of this area?
1 2 3 4 5
Low High
2. Do you believe agriculture is the preferred use of our land?
1 2 3 4 5
Low High
3. Are you aware our grain farmers have few market alternatives and that third world countries have become their largest competitors?
1 2 3 4 5
Low High
4. Are you interested in investing in an agriculture business park that would increase farm profitability and defer development on Delmarva?
1 2 3 4 5
Low High
5. What range of investment would you consider?
